**Be Advised: Community Clean Up is every evening after dinner. We will gather together to take out trash, clean dorm & fellowship hall & camping area. Keep your eyes open and be conscious of any trash or items out of place. Children MUST be with an adult when in kitchen. Everyone please try to bring a reusable plastic cup for each member of the family to save on waste. \*No Shofar blows after 10PM\***

## Meals

### Breakfast & Non Sabbath/ High Day Lunch:

This year each family will provide their own breakfast and lunches. There are many in the congregation who have allergies or are on special diets, this will help with costs and safety for all.

### Dinner:

Themes have been planned out for every night except High Days and Sabbaths. On those days we will have Potlucks, so everyone will be sharing.

Thursday: BYO Pizza	Tuesday: Steak & Potato
Friday: Potluck	Wednesday: Hamburgers
Saturday: Potluck	Thursday: Taco Bar
<u>Sunday: Hotdog Cookout</u>	Friday: Potluck
Monday: *Family Chili Cook off*	Saturday: Potluck

How will this work? -> for example, steak and baked potato night, you need to buy enough steak, and potatoes, for your family. Hamburgers, same as steak night. On both of these nights bring chips, potato salad, fresh fruit, etc. to share. Taco bar night is easy. You just make a bunch of taco meat and the taco fixings your family likes. We should have enough to share.

If you would like to buy a couple of extra steaks or other items for an unexpected guest that would be nice, if not that's okay as well.

The Chili Cook Off will be for every family or combined family to make a chili and have tasted and judged.

We will not have desserts again this year except for Clay Harvey's cobbler, which will be an activities. There will be a root beer float night and then another night a s'mores over the campfire. Please bring kosher marshmallows only. Bring enough for your family and a little extra so we can share on both of these nights.

(Get your marshmallows early.)

If you want snacks you can either bring enough for your family only or you can bring enough for the community and we will put it in the section labeled community.
